**Notes to editors**

Morson is the UK's leading provider of technical engineering personnel and project design solutions, supplying highly skilled personnel to the aerospace, defence, nuclear power, rail and other industries.

Established in 1969 Morson is the largest and one of the longest established technical staffing companies in the UK. The Group currently provides personnel on long term assignments for some well known major infrastructure/defence projects. These include the construction of the Olympic Games Development, CVF aircraft carrier, rail maintenance and upgrades for Network Rail, Transport for London and also nuclear design, decommissioning and asset improvement.
